NYPL.ORG/SUMMERREADING
Build a better world through reading! Reading is about growing your mind while discovering a great story. It’s also about sharing ideas and understanding different perspectives. Books are the tools you need to learn new things, get inspired, and find ways to help our communities.

The Library is here to give you everything you need to lay the foundation for your reading journey this summer and beyond. Start with this list for great book picks chosen by our librarians for all ages, from babies to adults. See the previous page for tips on how to find books. Plus, flip to the back for a calendar and book log to keep you reading throughout the summer.

There’s more to help you keep going throughout the year! Visit your local branch for an array of free programs and activities for all ages—from story times to workshops, games, and more. Talk to your librarian or visit: nypl.org/summerreading
